RE: T-03490A-03-0477

To: Docket Control

Covista, Inc. requests to cancel its Certificate of Convenience and Necessity (CCN) for local service Docket number T-03490A-03-0477. Covista does not provide local service to any customers in Arizona and has no plans to do so in the near future. At such time as the company decides to enter the local communications market it will make the appropriate requests to recertify.

The company continues to offer long distance service using its IXC Certification issued under Docket No. T-03490A-98-1103. It wishes to leave the IntraLata (local toll) and Intra/Interstate long distance CCN's in place.

If you have any questions or concerns, please feel free to contact me directly at 423-648-9519 or at tbrinkman@covista.com.

Sincerely,

Thomas W. Brinkman
Vice President Network & Regulatory
